### A Park

There is a park near my house. The park is big and beautiful. I often go there. I play soccer there with my friends. The grass is always green. The sky above is blue and wide. We run, laugh, and have picnics. I love going to the park.

### Daily school life

Every day after waking up, I go to school. I wear my uniform and eat a quick breakfast. My school is not far, so I walk there. In class, we study different subjects like math and english. I have friends at school.

**Paragraph**  
Write this paragraph on the lines given below.

My favourite subject is Mathematics. I love solving problems and doing calculations. It helps me think logically. In our class, we learn about numbers, shapes, and measuring things. The teacher makes learning fun with interesting activities. I enjoy working on math puzzles and playing math games.

The mouse requested for forgiveness. The lion let him go. After some days the lion let him go. After some days the lion caught in a net. The mouse cut the net with his teeth. The lion was free. He thanked the mouse.

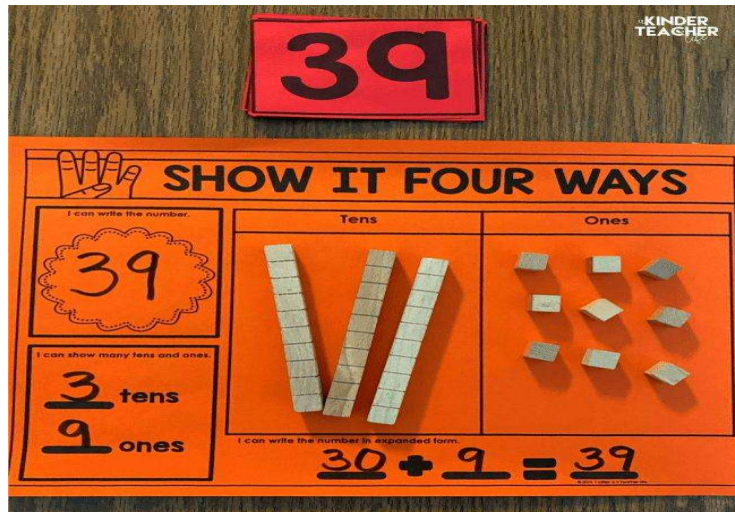

The Nun in the Hut  
There is a nun who lives in a hut. She has four funny ducks, and two little pups. The ducks like to swim in the mud. The pups like to run under the sun. The nun is happy living in her hut.
